**Wrexham Sounds**

# AI MUSIC LAB

# Learn. Explore. Create.

**Aged 13-19? Want to find out about AI, use some leading AI tools, make AI music?**

**Our AI Music Lab programme is your chance to get your head around AI, free of charge.**

- It kicks off on Monday 6 May and ends on 27 September.
- There are 100 places available.
- It's free.
- Registration starts Monday 22 April.

**The programme has 3 Tiers:**

- Tier 1 Learn – Find out about AI.
- Tier 2 Explore - Get your hands on leading AI tools.
- Tier 3 Create – Work on an AI Music project.

The programme will be delivered online with tutor support and user forums.

No prior knowledge of AI or music is needed.

There will be events at Wrexham Sounds to help you get the most from your experience, share ideas and meet others.

**Registration :**

- You can register on the programme any time from 22 April up to 28 June.
- Everyone must sign up for, and live up to, our code of conduct.
- If you are under 16 you must have parental or guardian consent.
- Everyone must complete Tier 1.

**Make Your Own Way At Your Own Pace**

On completing Tier 1, we expect most users to move on to Tier 2 where they will be able to access some leading AI tools.

However, if you are a musician, you might want to move straight to Tier 3 instead to do a Music Project with the help of one of our tutors.

**Additional Learning And Technical Support**

If you have additional learning needs you can still register with AI Music Lab. If you need advice on how to get online or what computer or tablet to use there will be technical support available.

**Certification**

If you are aged 13-14, you will be eligible for a Childrens University stamp.

Everyone will receive an AI Music Lab certificate and T-shirt.

**Next Steps**

Registration is now open! You can sign up online via our website www.wrexhamsounds.org any time up until 28 June.
